

# BeutiControl Transition to Youngevity

## ENROLLING PREFERRED CUSTOMERS

## AND NEW ASSOCIATES

### 1. What is a Preferred Customer?

- A Preferred Customer (PC) is someone you enroll and who is attached to your genealogy on your *level 1*. PCs enjoy wholesale pricing on their orders.
- You earn a commission on orders placed by your PCs (either 5% or 8% depending on whether you're active at 50 QV or 100 QV respectively, AND you can earn as much as 30% during *their* first 30 days if you are Quickstart Bonus qualified). *More on that later...*
- A Preferred Customer is not eligible to earn money in the Youngevity compensation plan.
  - *Note:* Participating in the Autoship program is NOT required to enjoy Preferred Customer wholesale pricing

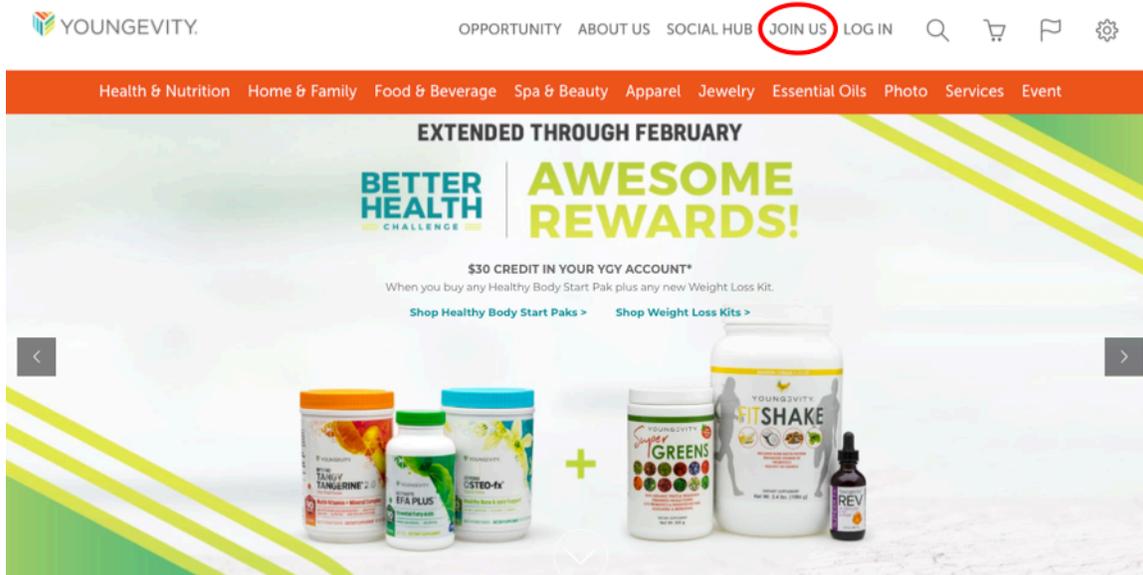

### 2. What is a New Associate?

- A New Associate or *Distributor* is a Youngevity business partner who you invite to enroll and become a member of your organization.
- All **BeutiControl Consultants of record have been grandfathered** in place as new Youngevity Associates (Distributors) respecting the genealogy of their original BeutiControl organizations
- When you enroll a new Distributor you may decide to keep him or her on your *level 1*...or place them anywhere in your down line organization using the Frontline Placement tool found in your Business Center. You have 60 days from the date of enrollment to *place* your new distributor. After 60 days your new team member remains permanently on your frontline (*level 1*).
- Distributors are eligible to earn commissions in the Youngevity compensation plan.
  - *Note:* Participating in the Autoship program is NOT required to enjoy Distributor wholesale pricing

### 3. How do Preferred Customers and New Associates ENROLL THEMSELVES?

- New PCs and Associates (Distributors) may *enroll themselves* on your self-replicated Youngevity website by clicking **JOIN US** and following the registration path. Be sure to provide your prospective PC or Distributor the unique URL of your website: <https://yourusername.youngevity.com>

Note: In place of your username, you may use your Youngevity ID number

### 4. How DO I ENROLL a Preferred Customer or New Associate?

- Login to your Business Center and click → Enroll New Associate on the purple the Menu Bar across the top (**see example 1**)

Step 1: When you click → Enroll New Associate you will be prompted to select the appropriate country of your new Preferred Customer or Associate.

Step 2: Select the country from the dropdown and click → Continue (**see example 2A**)

- *Note:* There are some listed countries we do not yet ship to. Someone in a country where we are not currently shipping *can* be added to your organization. Once we have shipping available there your new PC or Distributor will be able to activate their account and place and receive orders.
- Step 2B: Select the preferred language in the dropdown to choose English, Chinese, Russian, or Spanish (**see example 2B**)

### Step 3: Specify Placement

- You may complete the information the following page *with* your new team member present or over the phone...OR after gathering the required information from them you can complete the enrollment for them in their absence.
- Confirm your correct Sponsor Information. If you are enrolling your new team member on your frontline (*level 1*) leave the default choice of Automatic Placement. If you are placing your new PC or Distributor under someone in your organization you may specify that choice here (**see example 3**)
  - *Note:* You may also use the Frontline Placement tool in the Genealogy tab to *place* your new enrollee anytime within their first 60 days

### Step 4: New Rep Information

- Select Associate or Preferred Customer in the Entity Type dropdown
- Associate enrollments require a SSN and Date of Birth to proceed.
- Preferred Customer enrollments do NOT.
- Complete the remaining information for your new Preferred Customer or New Associate including Billing and Shipping information, telephone number(s), and email (**see example 4**)

### Step 5: Select a Username

- Once all personal information has been entered select a unique Username for your New Associate's personal website (**see example 5**)
  - *Note:* The system will confirm if your chosen username is available. If it is not, simply choose another. Usernames can be changed at any time.
- The *optional website* offered in this section is a **third party** product and not related to the FREE website(s) a New Associate receives (**see example 5**)
  - *Note:* The LITE version of the site is free and is the default setting <https://username.my90forlife.com/>
  - *Note:* The PRO version is an optional expenditure most leaders recommend their team members DO NOT incur. Please make sure your new Associate is aware of this before changing the default and committing their credit card to any monthly charge.

### Step 6: Extranet Password

- Enter a password for your new Preferred Customer or New Associate to access their Youngevity online accounts **(see example 6)**
  - *Note:* Passwords are case sensitive and can be changed at any time.

- *Note:* Preferred Customers choose the *Preferred Customer Kit* for \$0.00 **(see example 8)**

- *Note:* Scroll to the bottom and click to SKIP adding additional products.

FINAL Step: Checkout This is your final step in the enrollment path for a new Preferred Customer or New Associate **(see example 12)**

- *Note:* An Enrollment Confirmation will appear with the ID number and Password of your new Preferred Customer or New Associate...please make note of both. Your new team member will receive an email with this information in their email **(see example 13)**
